RIPE Meeting Principles

- Open to everyone

- Bringing people together from different:

  - Backgrounds, cultures, nationalities, beliefs and genders

- The RIPE community is a **safe**, **supportive** and **respectful** environment

RIPE Meeting Code of Conduct

For over a quarter of a century, the RIPE community's strength comes from its breadth of experience, diversity of views, and an open, respectful exchange of ideas – values that we want all of our RIPE Meeting attendees to uphold.

Please treat each other with tolerance and respect. Free speech and an open exchange of ideas are encouraged and celebrated.

Demeaning, intimidating or harming anyone at the meeting is wrong. We are especially sensitive to behaviour that offends based on gender, sexual orientation, religion, race or ethnic origin, or other perceived social, cultural, or personal differences.

RIPE Meeting Trusted Contacts
