

# Rob Blokzijl Foundation

## Call for Awards Committee

# Rob Who?

Rob Blokzijl

# Background

- The objective of the foundation is to recognise and reward individuals who:
  - Made substantial and sustained technical and operational contributions to the development of the Internet in the RIPE NCC service region, or
  - Supported or enabled others with the development of the Internet in the RIPE NCC service region.

# Award

- An Award is (usually) made every two years
- It is primarily a sign of recognition from the community for services rendered
- It includes a monetary award of €10000

# Previous Recipients

The first award was made to Wilfried Wöber in 2018

# That time again

- It's time to make the next award
- We need an award committee
- We would like your suggestions for the members of that committee
- The award committee will issue a request for award recipient nominations

# How?

- Volunteer for the award committee
- Volunteer other people for the award committee
